

STAINLESS STEEL FACED TIMBER CABINETS

Stainless Steel Faced Timber Cabinets

The more economical alternative to buying a full blown Stainless Steel Kitchen. Combining MFC carcasses with Stainless Steel Doors, End Panels & Fillers

Technical Specification

Hinge Options Standard	110° zinc plated steel hinges- soft closing Snap-on function; make it easy to remove the door for cleaning
Door/Drawer Panels	Manufactured from brushed stainless steel, bonded onto Titanium coloured MFC.
Finish Upgrade	The stainless steel panels can be powder coated to any colour, please specify the RAL colour when ordering.
Drawer Mechanism	Integrated damper that catches the running drawers so that they close slowly, silently and softly. Fully-extending drawers; for easy overview and access to the contents. Smooth-running drawers with stop. Drawers are self-closing the last few centimetres. Powder Coated steel- Colour Silver
Pan Drawer Mechanism	Integrated damper that catches the running drawers so that they close slowly, silently and softly. Fully-extending drawers; for easy overview and access to the contents. Smooth-running drawers with stop. Drawers are self-closing the last few centimetres. Powder Coated steel- Colour Silver
Carcase	Sturdy frame construction, 18 mm thick MFC Titanium Coloured
Handles	All cabinets are supplied as standard with a brushed steel 'T' bar handle (code- H01) other styles & lengths are available upoun request.

Available assembled or in flat pack form

* Prices quoted were correct at the time of going to print, and are ex. VAT and delivery.
